Mandatory Requirements (Please tick – all must be ticked)

- The animal is de-sexed.
- The animal is wormed and treated for fleas.
- The animal is people friendly and not of build or nature likely to cause fear in children or other residents.
- The animal is registered with the council in which it normally resides.
- When on the scheme, the animal will reside only in the lot of the applicant.
- The animal is not permitted on common property except by passage to and from the lot by the most direct manner. When on common areas the animal must be on a lead or in a suitable carrying container at all times.
- The animal is prohibited from rooftop and pool / recreation areas.
- The animal must not cause nuisance by noise or otherwise to the occupiers of any other lot or common property. In the event of breach the animal must be removed immediately from the scheme.
- The occupier must dispose of any animal waste so that it does not create noxious odours or otherwise contaminate the scheme.
- Only one visiting animal is permitted at any time.
- The animal must not be left un-attended in a lot for a continuous period of more than 10 hours and must not be left unattended at any time if the animal is inclined to generate noise audible from other lots.
- Permission granted by virtue of this form applies only to the named animal above and permission must be obtained for any other animal.
- Visits of more than 2 weeks (14 days) must be approved by the Committee.

If there are any other matters concerning this animal, please comment below.
